OUTDOOR RITES ARE AWAITED BY SEQUOIANS

Diplomas To Be Given To Record Class By J. D. Hedge

Several departures from custom, including the elimination of a commencement address, will mark the 35th annual commencement exercises of Sequoia Union High School to be held out of doors in front of the administration building this evening at 7:30 o'clock.

The largest class in Sequoia history, numbering 204 students, will receive diplomas.

In place of the principal address by an outside speaker, three students will present brief talks on the general topic, "Adjustment to Life." The speakers and their subjects are Charles Inouye, personal adjustment; Bertha Potts, national adjustment, and Jack Murphy, international adjustment. The students were chosen for their forensic ability and high scholarship.

Hedge to Give Diplomas

The diplomas will be presented by James D. Hedge, newly elected president of the board of trustees and a graduate of Sequoia with the class of 1898. Because of the large size of the class and the length of time required to distribute diplomas individually, a new arrangement has been made.

Scholarships and honor medals will be awarded by Merritt Hosmer, member of the board of trustees, and Otis M. Carrington, head of the music department.

Bill Towers, president of the senior class, will offer the class gift, which is an illuminated and enclosed bulletin board to be placed in the main hall. The acceptance speech will be made by Principal A. C. Argo, who will introduce the candidates for graduation.

Music Program Planned

Victoria Parsons, who holds the distinction of being the most accomplished musician of the graduating class, has been selected as the soloist on the musical program. Miss Parsons will play a violin solo.

Numbers by the Sequoia band will open the program, and the senior processional will be accompanied by a chorus of 70 mixed voices.

Eleven senior girls who are members of Treble Clef, girls' glee club, will sing. They are Edna Walker, Kathryn Partee, Margaret Feldscher, Elinor Nelson, Arline Stewart, Virginia Elvidge, Phyllis Maguire, Elvira Tate, Lorraine Bullivant, Dollina Blomquist and Dorothy Arnold.

Two Thousand Expected

An amphitheatre with a seating capacity of 2000 will be arranged to accommodate parents of the graduates and their friends. The class will be seated on a raised platform. Arrangements have been made to held the exercises in the boys' gymnasium in case of rain.

Spectator sports dresses and light shoes will be worn by the girls of the class. They will carry no flowers. Boys will be attired in dark suits.

Sheepskins Of '32 Are New Design

Diplomas awaiting presentation to the senior class of 1932 at commencement exercises this evening are different from any others ever given by Sequoia Union High School.

Wording of the new sheepskins this year has been changed. In addition to the name of the graduate and the usual message of the board of trustees, this year's certificates are engraved with the course of study which the student has completed.

This is the first time a distinction has been made between academic and vocational diplomas, according to Principal A. C. Argo.

Some of the diplomas will have still more markings. The gold seal of the California Scholarship Federation will appear on the sheepskins of those students who have been members of the C. S. F. for at least seven out of the eight semesters in high school.

Asks Re-Election

John W. Poole

SUPERVISOR POOLE SEEKING SUPPORT

Pledging himself to work for reduction of taxes, unemployment relief by public works as far as possible, and the maintenance and construction of roads in Third Township at the lowest possible cost, Supervisor John W. Poole announced Tuesday that he would be a candidate on August 30 to succeed himself.

"In seeking re-election to the office of supervisor of the Third Township of San Mateo county, I thoroughly realize that every community is faced today with necessity of reducing taxes and assistance of the unemployed.
ance of the unemployed," Mr. Poole said.

"Taxes can be reduced only by thrifty handling of public funds and avoidance of unnecessary expenditures. I have always worked against the wasting of public money and if re-elected shall labor zealously for a substantial reduction of taxes by a sane, economical and business-like administration of county government.

"On the other hand, I believe that the unemployment situation in our community can be materially relieved by the immediate construction of necessary public improvements. Along this line, I have been instrumental in bringing about the construction of a new bridge over San Francisquito creek at the entrance of Middlefield road to the city of Palo Alto, the contract for which will be let within the next few weeks. This will be a joint contract between San Mateo county and the city of Palo Alto and I shall insist that a proportionate amount of the labor on this improvement be given to residents of San Mateo county.

"If re-elected, I shall carry on my policy of giving the people of the Third Township the best roads possible at the lowest possible costs with the work being performed by our local people.

"During the last four years I have devoted my entire time to performing the many duties of the office of supervisor. I have worked to efficiently and honestly serve the people of the Third Township as well as the entire county and I gladly submit my candidacy to the voters upon my record."

At a meeting yesterday, a "Poole-for-Supervisor" Club was formed, with Elmer E. Hartsough elected as chairman. Ten petitions, containing over 2000 names, were presented pledging the signers to work for the re-election of Supervisor Poole.

Mrs. L. M. Hosta will be secretary of the club, and Phil E. Brand will act as chairman of the finance committee. Headquarters of the Poole club will be at 809 Winslow street.

Works Late On Books, Leaves Car At Curb, Disappears

BURLINGAME, June 2.—Robert C. Crawford, 23, bookkeeper at a local bank, is the object today of a widespread search following his disappearance Tuesday night after working late on his books.

His mother, Mrs. Eleanor Crawford, said the youth had no reason to run away or commit suicide as he has had no worries, and the bank officials said his books were in order.

Crawford's car was found parked at the curb where he left it when he went into the bank earlier in the evening.

Motion for Annual Vacation Granted In Both Courts

James T. O'Keefe made a motion in both courts yesterday for the annual vacation. The motions were granted by both Judge Swart and Judge Buck. Only uncontested cases will be heard during July except by the consent of the attorneys who may wish to try some urgent suit. Judge Buck announced that he would be here all the time to take up any matters desired by the lawyers. Judge Buck wished Attorney O'Keefe a pleasant trip and a safe return. Judge Swart will take a vacation of two weeks to be spent at Los Angeles. Like Judge Buck, he too will be prepared to hear uncontested cases.

Is Candidate

John F. Davis

DAVIS ENTERED IN JUDGE RACE

In announcing his candidacy for judgeship, department No. 1, John F, Davis, issued the following statement:

"Some months ago I announced my candidacy for the superior court bench, department No. 1, San Mateo county. Such action was done upon the request of many of my friends and after a very careful survey of the impending election. At this time I wish to reiterate my desire to seek this position.

"I received my education in the law at Stanford University and University of Michigan, receiving my LL.B. degree, and have practiced in courts of the land over a period of 25 years, with offices in this county for 20 years. Aside from my practice as an attorney, I have had seven years' judicial experience as justice of the peace of the First township of San Mateo county (which extended from North Burlingame to and including Daly City). I retired undefeated from that position.

"At present I am the city attorney of Burlingame, which position I have served through seven administrations, covering a period of nearly 20 years. During that time I have successfully handled some very important cases for that city, including redistricting and highway zoning problems, as well as having successfully handled important cases for other cities of the county.

"Besides my legal and judicial experience I have always been interested in the economic condition of the county and in the development of civic improvements, having recently been the chairman of the committee on public improvement and maintenance of the San Mateo county charter study committee, which includes roads, highways, harbors, bridges and sewerage.

"If successful at the election, the people of San Mateo county may be assured of my very best efforts to promote the interests of this county."

UNIFIED CONTROL OF ROADS ASKED

The Beresford Park Development Association, at a meeting in San Mateo Tuesday night, went on record in favor of unifying the road system of the county, Mrs. Lillian May Kerwin, president, reported today.

The association also went on record as in favor of suspending the county chamber of commerce for the present "because of the depression."

San Mateo county's present system of road handling was declared by the association to be "antiquated, inefficient and costly," and the supervisors are urged to take steps at once to place the road system under a skilled road engineer.

SPECIAL ITEMS IN CO. TAX BILL DRAW PROTESTS

Legality Attacked By Cement, Oyster Companies

Legality of two special items included in San Mateo county's 1931-32 tax rate was under fire today in two suits brought in the superior court by the Pacific Portland Cement Company and the Morgan Oyster Company, both of Redwood City.

The two items are the 5 cents per $100 levied for construction of the La Honda road, which has not been used, and the 10 cents per $100 for the Memorial Park road, also not used. No mention is made of the Sunnyvale dirigible base purchase item, by which the board raised $10,000.

The cement company asks the return of $562.42 levied against it for these two items, and the oyster firm asks return of $140.32. Both these amounts were paid under protest when the taxes were met in December and April.

The total tax of the cement plant was $20,827.50 and that of the oyster firm, $3,406.29. Only the amounts asked for the two special items were attacked.

It was pointed out in the complaints that the board was only justified in levying these items as part of the general fund and because the supervisors failed to do this are going contrary to statute in levying them as special items.

Pillsbury, Madison & Sutro, San Francisco, is the law firm handling the two complaints.

CLIFTON WOODHAMS ALUMNI PRESIDENT; BANQUET IS HELD

Clifton Woodhams, Jr., '31, who has been vice president of the Sequoia Alumni Association for the past year, was elected alumni president succeeding Lloyd Anderson '28, at the 34th annual reunion of Sequoia high school graduates on the school campus Wednesday.

Rudolph Kalenborn, '32, is the new vice president, and Charlotte Rider, '31, replaces Evelyn McArthur, who has been secretary for two years.

A feature of last night's banquet and dance, at which more than 150 graduates and members of this year's senior class were present, was the introduction of Miss Clyde Harrison (Clyde Watrous), a member of the class of 1907 who returned to celebrate the 25th anniversary of her graduation. She was the winner of the declamation medal her senior year.

Entertainment at the banquet, at which President Anderson was toastmaster, included a piano duet by Vivian Kay and Charlotte Becker of the graduating class, talks by Principal A. C. Argo and Donald L. Bogie, vice principal, and the singing of school songs under the leadership of Otis M. Carrington, who this year completes 25 years as a member of the faculty.

Additional alumni and undergraduates attended the dance, which was held in the girls' gymnasium. The officers were assisted by Miss Rider and Frank Wentworth in planning decorations.

O'Keefe & McSweeney Leaving for Europe

Attorney James T. O'Keefe and his son, James T. O'Keefe, Jr., and A. McSweeney, the popular tax collector, will leave tomorrow evening from Oakland Mole with the Knights of Columbus excursion for a trip to Europe to be gone for 38 days. Others from the county will go on the trip.

They will go to Dublin to attend the Eucharistic Congress for several days. From there a trip through Ireland is to be enjoyed. After that a tour of Europe will be made, taking up a considerable part of the journey. All the sights of the continent are to be seen by the visitors. The homeward trip is to be made by way of Canada.

The friends of the travelers are to bid them a bon voyage at the Ferry Building Saturday evening before taking the train for the east.

An Englishman has invented a safety valve that provides room for expansion for household water pipes to prevent them from bursting when frozen.

COUNTY MANAGER PLAN BEING CONSIDERED BY FREEHOLDERS

Under a provision agreed to by the freeholders Wednesday night, San Mateo county's business affairs would be handled by a controlled executive, or county manager, who would be appointed by the board of supervisors from a list of candidates certified to by an examining board, which would include among its five members the two superior judges.

This provision, and the tentative agreement that the board of supervisors should be elected at large after candidates had been nominated from the five districts, were the two outstanding items discussed.

At least four of the 13 freeholders present disapproved the idea of electing the supervisors at large, but preferred to stay with the present plan because of the feelng that the people of the district are in a better position to decide who is to represent that district than are the people of the county as a whole.

Chairman James B. Howell of Atherton; Alvin S. Hatch, Half Moon Bay; Mona L. Christensen, North Palo Alto, and David Campbell, Daly City, were the four who voted against the at-large plan of voting.

Hatch had the feeling that it would be possible for a "machine" to go into the various districts and nominate candidates, thus electing a board of supervisors which it could control. In reply to this Charles J. Eldridge, Burlingame, said that no machine could operate without voters behind it.

Candidates for supervisor must be property owners, must reside within the district three years, and in the county five years, under a set of qualifications decided on by the freeholders.

In deciding to make the county managership an appointive office rather than an elective one, the freeholders were presented with the problem of getting away as far as possible from the influence of politics in the selection of the executive.

After considerable debate, the freeholders agreed that the examining board which is to pass on the qualifications of the executive candidates shall be made up of the two superior judges, the county superintendent of schools, a citizen to be selected by the two judges and the county superintendent of schools, and a citizen to be selected by the board of supervisors.

This examining board would be furnished with a set of qualifications for the executive which the freeholders will outline. After going over the list of candidates, the examining board would recommend five of the applicants as qualified for the position. The board of supervisors then would select the best qualified applicant from this list of five.

It was believed this would eliminate the chances of pressure being exerted as the examining board would have no gift to make and would therefore not be contacted by any office seeker. It would be up to the board to make the appointment and by the time the list is reduced to five, any one of the certified list would be an outstanding applicant.

Eldridge and William H. Eddy, Burlingame, felt this examining board plan was a "weak spot" because the board of supervisors would be held responsible for the actions of the chief executive and should therefore have a wide range to pick from instead of the certified list from the judges.

If the chief administrator fails, Eldridge said the board could point to the list and say the appointee was among those recommended by the examiners and would therefore seek to escape responsibility. "I would not give them this leg to stand on," he said.

An almost unanimous vote was finally passed, however, when on motion of John C. Nowell, Hillsborough, and second of Carl Elfving, Burlingame, the freeholders decided to make the office an appointive one, the candidate to be selected from a certified list recommended by the examining board.

On motion of Eldridge, seconded by Sam H. Winklebleck, Redwood City, the freeholders fixed the personnel of the examining board as previously stated.

Chairman Howell was authorized to contact Prof. Edwin A. Cottrell of Stanford University to outline the qualifications which the chief executive should possess. Cottrell is to furnish this information to the personnel committee of the freeholders, of which Mark E. Ryan, Redwood City, is chairman. All freeholders were invited to make recommendations as to qualifications to Ryan's committee. The personnel committee is then to bring in its recommendations to the board.

EMPLOYMENT BODY WOULD DISTRIBUTE FINANCIAL BURDEN

Distribution of the burden of financing employment for the community's jobless is the object of the city's employment and relief committee, which met late Wednesday in the office of Councilman Charles G. Lambert. Carl Wagner is chairman.

The committee meets regularly on Wednesdays at 4 p.m.

Committeemen thought it preferable to collect more of the smaller contributions, regularly, thereby making relief efforts city-wide, instead of depending upon a few larger, but irregular sources. Ways and means of solving this problem were discussed. Carl Stoner is chairman of the employment and relief committee.

Elmer M. Rowland, in charge of registrations, said that approximately 150 persons had re-registered for work, since the recent order that all jobless must re-register. The employment office is at 807 Winslow street. The telephone is Redwood City 1559.

Mrs. Viola Poole, chairman of the investigation work, named Mrs. M. Cooper, Mrs. F. M. Perkins, Mrs. Ernest Werder and Miss Cora Clute on her committee.

Chairman Wagner said that John Gill, Z. T. Thorning and Mr. Lambert would assist her.

George Whitehead was appointed head of the legal committee.

Capt. Edward McAuley, head of the county employment committee, was present and responded when asked for advice.

MAYOR INVITED TO TAKE AKRON RIDE

The mayor of Redwood City, who is William J. Dusel, has been invited by the navy to go for a ride on the Akron.

A telegram received by the official fixed the date of the ride as Saturday, "or as soon thereafter as possible."

The airship left Sunnyvale last evening for secret fleet maneuvers off the coast of Southern California, and will return to the local station before departing for Lakehurst.

Mayors of other peninsula cities, it is understood, were also invited to make the flight as the guests of the navy.

FALSE PROMISES ALLEGED IN NEW VIRDEN CO. SUIT

Asserting that the stock they purchased was sold on false promises, 148 stockholders of the Virden Packing Company, South San Francisco, today brought an amended complaint in the superior court in which they asked judgment of $162,825.

The amended complaint followed the sustaining by Superior Judge George H. Buck of a demurrer to the original complaint filed against the company.

It is averred that the company was without authority to sell the stock, and that conditions for its issuance were violated.

F. W. Sawyer, San Francisco attorney, filed the complaint.

FORMER OFFICIAL OF BELMONT WILL GET HIS BACK PAY

BELMONT, June 2.—The claim of Roger Sherman, former city attorney of Belmont, which has been "hanging fire" for the last two years, was finally oked by the city council last evening.

Sherman's former claim amounted to $3400, for which he held warrants against the city, for legal services rendered during the litigation and disincorporation period of the city. City Attorney Albert S. Mansfield advised the board that he had a conference with Sherman, who agreed to accept a warrant for $1500 in full for services rendered by him. Mansfield also said that the officials of the Bayshore Kennel Club had agreed to pay their city license tax of $40 per day in advance, which would make up the sum of $1500, whereby the council would not have to borrow the money with which to meet the claim.

The city already has settled the claims of former Chief of Police H. C. Caldwell, and former City Clerk Daryl Callen.

The question of signs was up again. A letter written by Father James McHugh, chairman of the defunct Suburban Water Company of Belmont, addressed to Mayor Jordan, set forth that the donation of $150 which was left in the treasury of the company was to be used by Mayor Jordan for the neon sign, and not for a "tennis court." Father McHugh's letter

ATHLETE, ALIVE, DENIES NEED OF QUAD MEMORIAL

"The report of my death is greatly exaggerated."

Jack Holwerda, Stanford jumper and football player, might truly have used those words today upon the publication of the 1932 Quad, student year book at the university.

For Holwerda's name is listed in bold, black type in the "In Memoriam" section of the Quad Although Holwerda has not been registered at the university since the fall quarter, his friends contend that that is not sufficient cause to list him among the departed.

John Poole Facing A Bleak-Looking Field

Believe it or not, John W. Poole is facing a cold and chilly campaign for supervisor of the third township; for he is opposed by Frost and Winter. This frigidity will not prevent Mr. Poole from making a thorough canvass of the voters of the district, even though the mornings be frosty and the evenings wintry. His bright smile and sunny dispositions will thaw his way to success.

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. 25c at all stores. © 1931, C. M. Co.

SINCERITY DESERVES SUPPORT

Word has been received by the friends of Congressman A. M. Free giving them to understand the sincerity of the man representing the Eighth district of California. His message reads as follows:

"I am more and more impressed with the fact that President Hoover will be re-elected and that if my friends stand strongly behind me, I also will return to my Congressional chair.

"This wet and dry question is, of course, a troublesome one, but after what I have done for the Eighth district, I cannot see how one single issue can be the controlling factor in the coming election. Unfortunately this problem will be before the country for many years since it will take two-thirds of the members of the House to submit an amendment and then the vote of the legislatures of three-fourths of the states to ratify it.

"Next week we go up against the so-called beer bill. This bill is absolutely unconstitutional, but that does not bother those who are advocating it. Foreign governments have held that liquor in excess of 2.5% of alcohol is intoxicating. This undoubtedly would be the decision of our courts. Congress can pass no act authorizing intoxicating liquor. Nevertheless, the issue confronts us, so we must give it our just consideration.

"It is rather well understood now that the National Convention will deal with this subject and adopt a plank upon which all the members of the party will run."

The wet and dry issue has been causing many candidates a great deal of embarrassment. But in the case of A. M. Free, his convictions are public property and good ground to camp on. Such a man is deserving of the community's best support.

FORMER OFFICIAL

(Continued from Page 1)

stated that Councilman Messner had misunderstood the transaction in reference to the tennis court.

Councilman Messner believed that the signs had been paid for by private subscriptions and through the officials of the dog track, and this was the information he gave to Father McHugh.

The two signs, one on El Camino Real and the other on the Bayshore highway, cost $684, of which sum $400 has been raised by private subscriptions. The Bayshore sign is being paid for out of the privately subscribed "sign fund" and the El Camino Real sign out of the city's general fund. Messner believed that the city had paid too much for the signs. He had a figure of $407 with insurance for the two signs.

Property owners residing on Middle road, and South road appeared before the council at the request of the board to discuss the condition of both roads. Several property owners voiced complaints, and asked the board to call in other property owners. Thomas Pennington, believed that it was a poor time to make any extensive repairs. Mrs. J. J. O'Brien and A. L. Becker were also of the same opinion. Mayor Jordan agreed to loan his road equipment, if the city would be willing to pay for the labor of rolling and scraping both roads with the endeavor to make them passable and less dangerous.

City Engineer W. W. Hendricks quoted a price of $3 per foot for water-bound macadam, to which the property owners protested, believing that it would be a burden on the people to undertake any such improvement.

The approach at South and Middle road will be taken care of by the city engineer; repairs to Pullman avenue will also be looked after by the city engineer.

A request from the Belmont Chamber of Commerce in regard to the condition of the pavement on Notre Dame avenue was also taken care of. The road was torn up when water pipe and sewer pipes were laid. Both the contractors for the installation of the water and sewer pipes have agreed to repair the streets.

Attorney Mansfield reported that the parking on Ralston boulevard by people attending the dog races has been eliminated, which would do away with the necessity for drawing up an ordinance making it unlawful to park there.

Councilman Messner said that he would be able to report at the next meeting on a satisfactory price for a new police car.

The usual monthly warrants were ordered paid. Councilman Clifford Lussier was absent.

SCOTT HENDRICKS AFTER FREE'S SEAT

Guy R. Kinsley, 625 Hurlingham avenue, San Mateo, who has been mentioned as a candidate against Congressman Arthur M. Free of San Jose, was said today to be reconsidering and will not make the race.

In his stead, it was said that Scott Hendricks, San Mateo resident and San Francisco broker,

PARENTS SUING SCHOOL AFTER CHILD'S INJURY

Injuries suffered by Isabel Locke, 7 years old, when she fell from a horizontal ladder at the Calvin Coolidge School in Burlingame January 18, today resulted in the filing of a $15,450 damage suit against the Burlingame Elementary School District by her father, F. A. Locke, 1129 Juanita avenue, Burlingame.

The child's left wrist was fractured and as a result will be permanently disabled and disfigured. She also suffered shock and bruises.

Mrs. Emil G. Steinegger, teacher, who was in charge of the class, was among the school employes named as defendants. Others were Lester D. Henderson, superintendent, and "Jane Doe" Statler, principal.

Attorney Kirk LaShelle, San Francisco, brought the suit.

SAWYER DENIES BEING MISSING SAN DIEGO MAN

In a reply to a query from San Diego as to whether there was the possibility that Alfred I. Sawyer, 55, held in the county jail here in connection with a bad check, was himself the missing Allan B. Monks, Deputy District Attorney Harold Anderson today dispatched pictures of Sawyer to the southern city.

Anderson said he did not believe that Sawyer could be the missing Boston man, as descriptions so far furnished do not tally.

Woodside

The regular monthly meeting of the Woodside Gardeners' Association will be held on the evening of June 6th at the school auditorium. The schedule of exhibits for the evening for which prizes will be awarded are: Best vase of six spikes of delphinium; best vase of ten spikes of larkspur; best vase of perennials one variety, non bulbous.

Cledath Pace and family left on Wednesday to drive back to Kansas. They will camp along the way, carrying a complete camping outfit on a trailer behind the family car.

Graduating exercises of the Portola School were held on Wednesday evening. The entertainment was quite unusual, consisting of selections by a rhythm band, a puppet show arranged and performed by the boys of the school, selections by a verse speaking choir from the State Teachers' College at San Jose and a Topsy and Eva song and dance by two students from the same institution. The principal speaker of the evening was Miss Elsie Toles, professor of education at the State College. Diplomas were awarded to Anne Katherine Duzanica, Jack Joseph Mangini and Joe Antone Kezich, the presentation being made by John Duzanica, clerk of the local school board.

A dinner dance was given Tuesday evening by Mrs. O. E. Blackington and Mrs. G. E. Seebohm in honor of the graduation from Sequoia High School of their daughters, Phyllis Blackington and Brita Seebohm. The dinner was given at the Woodside Inn after which the party adjourned to the Blackington home for dancing and later refreshments. Menlo Park

Mr. and Mrs. Augustus Taylor gave a dinner party Saturday evening at their Menlo Park country home. Their guests included Mr. and Mrs. Latham McMullin, Mr. and Mrs. Stewart Lowery, Mr. and Mrs. Herbert Fleishhacker, Mr. and Mrs. Harry Scott, Mr. and Mrs. Roger D. Lapham, Mr. and Mrs. Charles R. McCormick, Mr. and Mrs. Charles Henderson, Mr. and Mrs. Evan Williams, and Mrs. Eugene Murphy.

Mr. and Mrs. Stewart Lowery had as their guests Friday evening Mr. and Mrs. William Roth, Mr. and Mrs. Roger D. Lapham, Mr. and Mrs. Alfred B. Swinnerton, Mr. and Mrs. Augustus Taylor, Mr. and Mrs. Herbert Fleishhacker, Mr. and Mrs. Latham McMullin, Mrs. Eugene Murphy, Mrs. Ross Ambler Curran, and Prescott Scott.

Thursday night of last week the city council met to hear protests on the Paraiso Park paving work. The meeting was in marked contrast to previous sessions. All was harmonious at their gathering and all appeared to understand the situation and were willing to cooperate.

Faced with the written and verbal statements of the Paraiso Park Property Owners' Association committee that its members would be satisfied if Clyde W. Wood would carry out repairs and improvements verbally agreed upon between them, the council ordered Wood to carry out that agreement and continued the protest hearing to June 2. The time for the completion of the contract was extended to June 15.

Members of the Paraiso Park committee declared that the protest petition presented to the council was "merely to protest our rights in the matter." The letter, signed by Mark J. Loughlin, president of the association, enumerated the repairs and changes agreed upon by the contractor in the presence of committee members, Mayor W. H. Weeden and Councilman E. H. Hart.

To clear the situation up, the council first proposed a detailed investigation of the paving job by Paraiso Park committee members and the city council with Wood present. "There is at least a difference of opinion between the letter and the protest," said Councilman Hart. "We represent the people and not the contractor. We should go over the whole situation to see whether it is right or wrong."

But J. J. Harcom of the Paraiso Park group declared himself to be satisfied with Wood's word. "There is no need for an investigation," he said. "Wood knows what has to be done."

"In view of the protests," City Attorney George K. Whitworth pointed out, "the council should order what is to be done by the contractor and then satisfy itself that the work has been done."

In another protest H. F. and K. V. Laird, owners of property on Arbor road, declared that a "borrow pit" about 15 inches deep, 12 or 15 feet wide and 3350 feet long had been left by the contractor on their property. They reported that City Engineer Bert J. Mehl had referred that matter to Wood and asked the city council's backing to see that Wood should replace the material that had been taken from their property.

An ordinance repealing the city's prohibition of the sale of fireworks was given its first reading before the council after Fred Nessler asked that the merchants be granted permission to sell fireworks this year. Because of the prohibition last year, much money went out of town, and even peddler were making door-to-door canvasses to sell fireworks, according to Nessler.

William Feeley, Sr., this week received a letter from his old home announcing the sad intelligence of the death of his sister, Mrs. Ann Hamman, at Lowell, Ind. The deceased was a social leader in her community. She was a graduate of Valparaiso University and in her younger years taught school. She had three children who are also teachers and educators of note in the state of Indiana. Mr. Feeley last saw his sister 40 years ago, when he went back home on a vacation. He came west as a boy and has remained in California all these years.

Miss Catherine Gagan, the beautiful young daughter of Mr. and Mrs. Dennis Gagan, will graduate with honors from Sequoia Union High School this evening. Miss Gagan is a talented girl, ambitious, and possessing high ideals.

The grammar school closed this week with appropriate exercises. There were a larger number of graduates than usual. Many of those will attend Sequoia next semester.

With an appropriate program St. Joseph's Parochial school closed for the summer vacation on Tuesday. The exercises were unusually interesting and attended by a large number of the parents. The graduating class was large.

On June 8 two graduating classes will receive their diplomas and degrees at the College and Convent of the Sacred Heart. At 10:30 the graduates from San Francisco College for Women will receive their degrees. Appropriate exercises are to take place on the campus and a nice program rendered by the classes from the city institution. Archbishop Mitty is to award the degrees and is also to take part in the procession about the grounds. In the afternoon at 2 o'clock the fourteen graduates from Sacred Heart convent are to be given their diplomas by Archbishop Mitty. Monsignor Gleason, a former teacher at the institution, is to be the orator of the day, making two addresses to the large gathering that is to be on the campus. Over 300 are expected to be in attendance to greet the joyful young women and Archbishop Mitty onthe happy occasion. A delightful program of vocal and instrumental music is to be rendered by the scholars of the local institution and the visitors from the San Francisco college. It is to be a gala day for all, particularly for the good sisters, whose constant care and training of those under their charge has contributed so much toward equipping them both mentally and morally for their life work. Father Kennedy and Father Burke with a number of clergymen about thebay region will be present to participate in the ceremony.

The Native Sons and Native Daughters, Menlo Park Post American Legion, the Auxiliary and Boy Scouts, marched out to Holy Cross Cemetery on Monday morning to honor the memory of their departed members by impressive ceremony at the graves and to place an American flag on their last resting place. At the burial grounds the societies were met by Father Thomas Kennedy who delivered a short prayer over the graves of the departed. The legion sounded taps and fired a volley over the last grave visited. The Native Sons and Daughters marched around the cemetery placing a bear flag and an American flag on the last resting place of the deceased members. Marshal George Murray performed the ceremony. Twenty-five Native Sons stood with bared heads at each of the eight graves of the departed native sons in silence for a moment in memory of those who had gone to the Grand Parlor on high.

Mrs. Henry Meyer has moved down from San Francisco to occupy her home on Glenwood avenue.

James H. Beardsley and his charming wife arrived home a short time ago from an automobile trip in New Mexico, Arizona and Colorado. Mr. Beardsley has a complete camping outfit which provides comfort and every convenience so that his jaunts through the country are fraught with pleasure and happiness. From his long tour Mr. Beardsley brings back the glad tidings that California is in a better condition in every way than any state he visited. Mr. and Mrs. Beardsley will depart next Monday for a journey to the Northwest and Canada and will be absent nearly all summer.

On Friday last Mrs. John Welsh, a pioneer of Menlo Park, (following a long illness), passed away at her home on Mills avenue. Only the day before she celebrated her 88th birthday. For 54 years she had been a resident of Menlo Park. In that long span she made many friends by her graciousness and devotion to her community, to her family, and to her admirers. Coming to Menlo Park with her husband, the late John Welsh, in 1878, she settled in Menlo Park, engaging in the activities of the town and working always for its betterment and best interests. Her husband for a long period was superintendent of the estate of Senator C. N. Felton, retiring when the sere and yellow leaf of life came to enjoy the fruits of his labor and the admiration of his friends. While Mrs. Welsh had been an invalid for some years, she never lost interest in her home surroundings and the locality in which she had lived so long and which she loved so well. Having survived more than the allotted span, Mrs. Welsh was ready to answer the final summons when it came. The sunset was beautiful and radiant to her as she crossed the border to that other land where she would meet her loved ones who had gone before.

A large number of sorrowing relatives and friends attended her last rites in the Church of the Nativity Tuesday morning where a requiem mass was celebrated by Father Kennedy. Mrs. Welsh is survived by a son, John B. Welsh, the widely known banker, residing in Menlo Park.

An attachment was filed last night by M. Bottini on payments by the city to the Valley Paving and Construction Company on the Curtis and Doyle street and Live Oak avenue paving jobs. Bottini's claim alleged that $1,038.55 of an agreed price of $5,986.47 for certain work and materials furnished to the contractor on those jobs remained unpaid. Consideration of the attachmentwas delayed because of the absence of City Attorney George K. Whitworth from last night's council meeting.

The resignations of C. L. Dyer and W. J. Belcourt as police officers were accepted by the council. Dyer was reappointed to serve as relief officer at $5 a day.
